Society/Golf Event Guidelines, Terms & Conditions

At Flamborough Head Golf Club, *'The Friendliest Club on the Coast.....'* we like to make your day with us as enjoyable as possible, so these notes will help you plan your day and provide you with all the information you need for a successful visit.

Availability

Weekday tee times are generally flexible; however there may be some restrictions on week-ends and Bank Holidays so we recommend an early telephone call to the Club to arrange your provisional date(s) & tee time(s).

Bookings & Deposit

Once you have received our information pack and decided on the makeup of your golf day you will need to complete and return our booking form together with a deposit of £10 per person. The deposit is fully refundable in the event of cancellation 4 weeks before the playing date, after that time it is at the Club's discretion. Once your form and deposit has been received we will confirm your booking, either by a letter of confirmation, or by email.

Your preferred reservation date and tee time can only be confirmed on receipt of your deposit payment and the booking form.

Prices & Discounts

Once the price of your golf package has been agreed with you this will remain unchanged except in the event of a statutory change outside the control of the Golf Club. Any discount agreed, and given, is based on the original number of visitors at the time of booking. **In the event of a reduction in the numbers playing on the day we reserve the right to reduce any discount given and increase the cost per person to reflect this change.**

Final Numbers

We ask you to confirm final numbers for golf & catering as least seven (7) working days before your visit and you will be charged for that number on the day. The exact number of players must be advised to the Golf Co-ordinator or Golf Shop on the day, and where possible, a tee sheet provided.

Final Payment

We ask that your balance be paid on the day, prior to teeing off. Payment for golf only & Society packages must be paid in the Golf Shop for which a green fee ticket will be issued for the full amount as your receipt.

Please hand a copy of the following advice to ALL the Members of your Party

Play on the Day

At Flamborough Head Golf Club we expect members of visiting groups/societies to be reasonably competent golfers and it is therefore important that all members of your group are aware of the etiquette and rules of golf. We particularly ask you to bring to their attention the following:-

1. Where possible, better golfers to start first.
2. Play will be from the yellow tees (men) and red ladies (ladies).
3. We recommend that you play Stableford, and if you can't score any points ***please pick up***.
4. Keep up with the group in front and allow quicker groups to play through particularly on our Par 3 holes.
5. Please invite players through if you are delayed in searching for a lost ball.
6. **Please repair all divots and pitch marks on the greens.**
7. Keep all bags, buggies and trolleys away from the tees and greens.
8. Speed of play is important so **please ensure you keep up with the game in front of you.**

Dress Code

All players are expected to be properly attired whilst on our golf course. Jeans, trainers, vest styled T-shirts, track suits, football & rugby shirts, short shorts and shirts without collars are not permitted, however tailored shorts are allowed. Golf shoes & socks are required at all times but trousers must not be tucked into socks. We would appreciate it if all visitors used our changing rooms rather than change shirts & shoes in the car park.

Loss, Injury or Damage

Flamborough Head Golf Club will not accept any liability for injury, loss or damage, howsoever caused to any visitor, clothing, equipment, money, valuables, or any other articles on the course, in the club house, and in respect of vehicles and contents in our car park which are parked at the Owner's risk. Every visitor is responsible for his/her own safety on the golf course and in the Clubhouse and it is their responsibility to read Club notice boards and enquire of the Golf Shop regarding any matters that may affect them during their visit.

Other Services

We are pleased to provide nearest the pin and longest drive markers as a complimentary service should they be required. We can also provide other services including a registration desk, prizes (with a minimum discount of 15%) & a presentation table, checking of scores upon completion of a round, coaching & analysis and putting competitions at a modest additional cost. Please let us know your requirements in this respect prior to playing.

Ride on buggies are available and must be booked in advance

If Anything Changes

Should there be any changes to your original booking or you wish to amend the booking please contact our Golf Co-ordinator, or Golf Shop as early as possible, by telephone on, 01262 850333 ext 21, or by email, enquiries@flamboroughheadgolfclub.co.uk.
